

# Engineer-in-Training (EIT) - San Antonio, TX

## We're Hiring!

Join our team as an Engineer-in-Training (EIT) in San Antonio! This is a fantastic opportunity for early-career engineers (1-5 years of experience) to grow and develop in a dynamic and supportive environment.

## Key Responsibilities:

- Assist in the execution of structural engineering design, including analysis, design, detailing, and development of plans and specifications.
- Collaborate with clients, contractors, and team members to understand project goals and coordinate designs.
- Perform structural analysis and design calculations under the supervision of senior engineers.
- Participate in site visits and construction administration.
- Contribute to knowledge sharing within the company and develop areas of specialty knowledge.

## Qualifications:

- Bachelor's Degree in Architectural or Civil Engineering (Structural emphasis).
- Master's Degree in Structural Engineering preferred.
- 1-5 years of experience in structural engineering.
- Engineer-in-Training (EIT) certification.
- Strong knowledge of fundamental engineering principles and structural behavior.
- Proficiency with various structural systems (concrete, steel, wood, masonry).

## Skills:

- Excellent communication and teamwork abilities.
- Strong analytical and problem-solving skills.
- Eagerness to learn and grow in a supportive environment.

If you're ready to kickstart your career and make an impact, apply now!

# Art of Structural Engineering

From our roots in 1937, we have always been a firm devoted to practicing the Art of Structural Engineering, seeking to empower our clients' vision through innovation, expertise, and a can-do spirit. Our diverse work includes literally all shapes and sizes of buildings that are tremendously important to our communities. And more than ever, we are committed to growing our stewardship of resources through our designs.

## KEY ATTRIBUTES

Experience and Stability  
Expertise and Innovation  
Award Winning Design  
Committed to Net Zero

---

## WE'RE ON A MISSION . . .

To work collaboratively with our clients to design and care for buildings where people create, explore, and thrive.

To continually raise the bar for structural engineering through our work together.

To encourage, challenge, and support one another, and share in the rewards of what we accomplish together.

## BECAUSE WORK IS JUST ONE ASPECT OF OUR LIFE . . .

We love our work, and we care for each other. We also know it's important that you have room in your life to take care of yourself and others by investing your time in the other things that matter in life. Your family is a big deal for us, because it matters to you.

## WE'RE IN IT FOR THE LONG HAUL . . .

We want to invest in you and see you grow, through experience, opportunity, and mentoring.

## WE'D LOVE FOR YOU TO JOIN US AS WE STRIVE TO . . .

- Make it better
- Serve faithfully
- Grow as a team
- Engage as a family
- Enjoy what we do
