

Senior BIM Technician - Dallas, TX

Join Our Team as a Senior BIM Technician in Dallas!

Are you an experienced BIM professional looking to take your career to the next level? We are seeking a talented Senior BIM Technician to join our dynamic team in Dallas. This is an exciting opportunity to lead modeling efforts, coordinate with multiple disciplines, and provide technical guidance within a supportive and innovative environment.

Key Responsibilities:

- Lead the creation and management of digital models for construction projects.
- Coordinate with various disciplines to ensure seamless integration of designs.
- Provide technical guidance and mentorship to the BIM team.
- Ensure high-quality deliverables and adherence to project standards.
- Contribute to the development and implementation of BIM standards and processes.

Qualifications:

- Extensive experience in Building Information Modeling (BIM).
- Strong knowledge of BIM processes and software.
- Excellent communication and coordination skills.
- Ability to lead and mentor a team of BIM professionals.
- Commitment to delivering high-quality work and continuous improvement.

Why Join Us?

- Be part of a forward-thinking company that values innovation and collaboration.
- Work on exciting and challenging projects in the Dallas area.
- Enjoy a supportive and energetic work culture.
- Opportunities for professional growth and development.

If you're ready to make an impact and grow with us, apply now! Email your resume to careers@datumengineers.com

Art of Structural Engineering

From our roots in 1937, we have always been a firm devoted to practicing the Art of Structural Engineering, seeking to empower our clients' vision through innovation, expertise, and a can-do spirit. Our diverse work includes literally all shapes and sizes of buildings that are tremendously important to our communities. And more than ever, we are committed to growing our stewardship of resources through our designs.

KEY ATTRIBUTES

Experience and Stability
Expertise and Innovation
Award Winning Design
Committed to Net Zero

WE'RE ON A MISSION . . .

To work collaboratively with our clients to design and care for buildings where people create, explore, and thrive.

To continually raise the bar for structural engineering through our work together.

To encourage, challenge, and support one another, and share in the rewards of what we accomplish together.

BECAUSE WORK IS JUST ONE ASPECT OF OUR LIFE . . .

We love our work, and we care for each other. We also know it's important that you have room in your life to take care of yourself and others by investing your time in the other things that matter in life. Your family is a big deal for us, because it matters to you.

WE'RE IN IT FOR THE LONG HAUL . . .

We want to invest in you and see you grow, through experience, opportunity, and mentoring.

WE'D LOVE FOR YOU TO JOIN US AS WE STRIVE TO . . .

- Make it better
- Serve faithfully
- Grow as a team
- Engage as a family
- Enjoy what we do
